

LABORATORY ASSIGNMENTS—Lab #1

1. In your lab manual, read Exercise 33, pp. 182-187.
2. Complete Fig. 33.1, p. 182, Fig. 33.2, p. 183, Fig. 33.3 and Fig. 33.4, p. 184, and Fig. 33.5, p. 185.
3. In your workbook, complete pp. 239-262. **Do not color until you go to lab.** Colors will be assigned on the lab table.
4. Carefully work through each station on the SCIT 1408 demonstration table.
5. Complete the laboratory report. Laboratory report sheets are to be checked by the instructor by the end of the second lab period, or no credit will be given.
6. Sign the roll for laboratory safety training.
